From our alumnus Katie Evans, National Team Member

Dita has recently gone above and beyond to help support myself and other members of the Dita team. We all have a code you can use at checkout to save **10% off your purchase**. Mine is **GOKATIE** (it doesn't have to be in all caps or bold). Every time you buy something from **ditasticks.com**, part of the sale goes to me to make things easier as I train on the National Team. It's been really hard to find any job that will work with our training schedule, so this really helps.

If any of the girls want to forward this along to whoever they think would use it as well, feel free! It's a win-win for everyone - you save money, I earn some money and we all get to use great Dita equipment.

Thanks so much for your time!  
Happy Holidays!  
All the best,

Katie Evans
